## PRIVATE *Sector*

Canstar Restorations has been one of the premier disaster restoration companies in Greater Vancouver for over 25 years. What sets us apart from the competition is customer service. Our live in-house call centre operates 24/7 with qualified staff, trained to quickly assess the needs of business owners of all types and sizes; from mall owners to mill owners to retail chains and, if necessary, immediately dispatch a professional crew to begin restoration work right away.

You already know that keeping a business running and your employees healthy and productive is challenging enough. When disaster strikes, damage from water, fire, smoke, mold, or trauma to any of your buildings will add to your already heavy workload.

You need an efficient, reliable, and cost-effective resource that can get your building back in shape; focusing on the health and safety of your employees and customers while making sure that you are back to generating revenue as fast as possible.

## EFFICIENT, EFFECTIVE *and professional*

From the moment you call our 24/7 call centre our superbly trained, well equipped staff will respond to isolate the affected area and restore your building to working condition safely and efficiently. We provide:

- An immediate response by trained and certified technicians, bringing top of the line equipment, to quickly minimize damage and exposure.
- A thorough diagnosis of the extent of the damage to reduce the risk of exposure to all residents.
- The ability to mitigate the affected areas urgently.

When disaster strikes your building, you need to respond quickly. Any delay will cause unnecessary downtime, additional damage to property, and even an unsafe environment—through air, water, or mold contamination—for the employees and customers of your business.

Having Canstar Restorations' number on file will guarantee that, with just one call, all of these dangers will be mitigated. Canstar will respond in an efficient, effective, and professional manner. Our team is trained to industry best standards in all areas of restoration and safety. We will have your insured building back in business in a clean, safe environment, as quickly as possible.
